UNIVERSITY OF RWANDA

NYARUGENGE DISTRICT

NYARUGENGE SECTOR

To :Rwanda Biotechnology Students Network Committee,

Re : APPLICATION FOR AVAILABLE RBSN COMMITTEE POSITIONS

I am writing to express my interest in serving on the Rwanda Biotechnology Students Network (RBSN) Committee. I have been an active member of RBSN since I started my university studies, and I would now like to contribute more directly to the growth and development of the Network and its members.

As a Biotechnology student at the University of Rwanda with interests in leadership, innovation, research, and academic growth , I believe I can contribute through my skills in communication, teamwork, organization, and initiative. I am also eager to learn from other members and work collaboratively to create meaningful opportunities for biotechnology students.

I see this position not only as an opportunity for personal and professional growth, but also as a chance to serve fellow RBSN members and contribute to building a stronger biotechnology community in Rwanda.

Thank you for considering my application. I look forward to the opportunity to serve and contribute to RBSN.

Yours faithfully,

MIZERO Joseph

Biotechnology Student, University of Rwanda

RBSN Member
